practically a Chamber of Commerce Commission.

The fact that Alexander E. Orr was made, as well as the President of the Chamber of Commerce Board, gives him a double claim to the office. There is little doubt that Mr. Orr will resign as individual member of the new Commission, but this will still make him as exomicion member by wirtue of his residency of the Chamber of Commerce. This step on the part of Mr. Orr will lave a vacancy in the Board, which will sundoubtedly be filled by Charles liewart Smith, the retiring President of the Ghamber. This will give the Chamber of Commerce a majority over the Tammany representatives of 6 to 2.
